New Business: 1.	<p>Mural outside on school- this has been up for discussion for awhile now and there are a number of things to go over before any work is begun on the mural. It was suggested that we get some input from the students and community as to what we could include or change in order to be more inclusive to the demographics of the community and school.</p> <p>It was also mentioned to paint some meaningful quotes in the bathrooms and use a sensory package.</p>	
2.	Next meeting date is April 7th, 2022 @ 6:00pm	
Principal's Report	<p>February was registration month and we had approximately 11 new registrations for Pre Primary and 1 for Primary. We expect that there will be more coming.</p> <p>Apples have been ordered through a health promotion, The Big Crunch. The apples will be delivered on Wednesday and the idea behind this is that the children will each have an apple and will all bite into their apples at the same time.</p> <p>Our lock down drill this month went well.</p> <p>Ms. Coffin-Were did the lost and found again and will post the pictures as well.</p> <p>The school joined in the Winter Walk connected to the Ecology Ctre. Home and School provided a treat for each of the students as they finished their walk.</p> <p>There is a literacy coach working in the building with 3 teachers to help students.</p>	<p>We are waiting to see if the funds for the tree planting are approved to carry over.</p> <p>The curling Mr. Foote arranged for the students was a big hit. Everyone thoroughly enjoyed trying this new to them sport.</p> <p>Assessment and Evaluation day is coming up after the break on march 23rd.</p> <p>We will have a Math coach in after the break.</p> <p>Ms. Stulac has ordered mud buddy suits for her classroom and will take care of them.</p>
