Principal: Ms. Williams-Hart

Vice Principal: Mr. Hartlen

---

Hi Hawthorn School Community,

**The HSA is excited to introduce our new hot lunch program, starting on November 26th!** We will be offering selections through Healthy Hunger ([www.healthyhunger.ca](http://www.healthyhunger.ca)) which is an easy to use online service. You can see what's available for your child and order on the website directly for the days you'd like.

Our school and your child's class will have options for you to choose from as you register your child for hot lunches, the whole process takes about 5-10 minutes and you can pay by Visa, MC or Debit. One of the reasons we have chosen this website service is its ease of use and we hope you agree. Attached is an information sheet on how to get started.

On **Mondays** the **Lunch Lady** will offer a selection of main courses and snacks. On **Wednesdays** we will be having personal 6" pizza's from **Little Caesars**. All meals will come with the appropriate cutlery and will arrive at the school packaged by class and labelled with your child's name. You can sign up for as many lunches as you'd like or just one day, there is no minimum order.

We are also looking for volunteers for each lunch we offer to ensure our current lunch monitors get good help and the right food gets to the right classes and to your child. If you can help, it will be a half an hour at most each day. Requiring you to arrive at the school office at 11:45 and stay until the food is in all the right places and reporting back any issues. We will hopefully have some Grade 6's helping with dispersement too! You can volunteer as you place your order or directly to us at [hawthornschoollhsa@gmail.com](mailto:hawthornschoollhsa@gmail.com).

You must order 5 days in advance and pay 5 days in advance for your child to receive our hot lunches. **So for Monday November 26th you must order no later than Wednesday November 21st.**

This is a new service for us so we welcome your input and feedback on quality, menu selections and overall satisfaction. This is new for us, so let us know what you think!

Look forward to hearing about your experiences!
